

HASH IT OUT CANNABIS CLUB APPLICATION

Thank you for your interest in Hash it Out! This club was established July 29, 2021. It is a free, private club for individuals 21 and older. We meet every Thursday at 5pm on the back patio at Sneed's and wrap up at 6:30. Members will need to show a valid ID and either a printout of the email invite OR the email invite on their phone prior to entering the back patio.

No plants allowed on the premises. There is no cannabis for sale or trade and no weapons are allowed at club.

In order to be considered for membership, we ask that you email jenny@sneedsnursery.com with the following information:

Your name, proof of ID (photo of you and your ID showing birth date), and whether you know anyone currently in the club. If you do know someone, what is their name? How did you hear about our club?

Once your information is reviewed and if it is accepted, you will receive a weekly invite to the club that will need to be shown to the person checking ID's.

Meet the team: Sally, Matthew, and Jenny
