

Thank you for your interest in Sneed's. We are currently accepting applications for full and part time sales associates.

Sneed's provides an exceptional experience for our customers at a garden center known for unique and unusual plant and lifestyle products.

We are looking for good communication skills and an ability to work well with a great team that welcomes, inspires, informs, and appreciates our customers. Willingness to learn plant culture and care. In addition to good customer service, you are responsible for stocking, watering, and caring for plant material.

*Please keep in mind for the future: we also hire seasonal help both full and part time, late August, early November for Holidays.

Thank you for taking the time to print and fill out our job application. Please email it to Jessica@sneedsnursery.com or turn it in to our cottage cashiers.
